RYAN McCHESNEY TESTIMONIAL MATCH

Glenafton Athletic is delighted to host today's match as part of the activities to celebrate Ryan McChesney's 10 years of service with the club. Of course unfortunately we had to postpone our original plans due to football 'closing down' for a period during the COVID pandemic and we are grateful to Ryan for his understanding at that time. Club Secretary, John Stewart would like to pay tribute to Ryan -

Glenafton Athletic is delighted to have had such loyal service from Ryan and to mark this monumental achievement with a testimonial and pay testament to his commitment to the club and the ability he has shown over the years.

It all began when Ryan played with the Glens 1992 boys club as a young 10 year old striker and was scoring over 60 goals per season. When he was in his early teens the club was undefeated over 3 season and won everything but only to lose out in the Scottish Cup semi-final and final in succession.

Ryan's ability did not go unnoticed, as Blackburn Rovers and Partick Thistle showed interest but Ryan was a bit of a homebird and loved to be around his pals. We moved the full squad to Ayr United for a season but Ryan's dream was to play for the Glens. His dream came true and what an accomplished player he turned out to be. I hope he has a great day and I am proud to be part of his development and wish him all the best for the future.

Glenafton Athletic Secretary, John Stewart

Here's the blonde-headed striker that transformed into the Ginger Messi in the Scottish Youth Cup final in 2004/05 where against a strong Hutchinson Vale side. Also in the Glens team that day were future first team players Dale 'Gunner' Moore and Findlay Frye.

SEASON 2010/11

Ryan played as a trialist in the pre-season Joe Meldrum Trophy at Loch Park for the Glens then under the management of Mark Shanks. He scored the Glens goal in the 1-1 draw against Port Glasgow Juniors, before the Glens won the penalty shoot-out 3-1.

Ryan scores v Port Glasgow

Greig Denham took over as manager at the start of the season and Ryan made his first team debut in a Super League 1st Division goal-less draw away at Annbank United on 29th January 2011. Also making his Glens debut that day was Craig McEwan he kept the young centre-back right .

Following another successful trial Ryan was offered terms and went on to make 21 appearances that season. The Glens finished 3rd in the Super League 1st Division behind Clydebank and Ashfield but lost out to Petershill (1-0 agg.) in the play-offs and missed out in promotion to the play-offs.

SEASON 2011/12

Following Greg Denham's departure Darren Henderson took over the hot seat at Loch Park. Ryan's first goal for the Glens came in a crucial home league victory against league leaders Kilsyth Rangers (28 Apr 2012). The victory saw the Glens close the gap on Kilsyth to 2 points and with 2 games in hand.

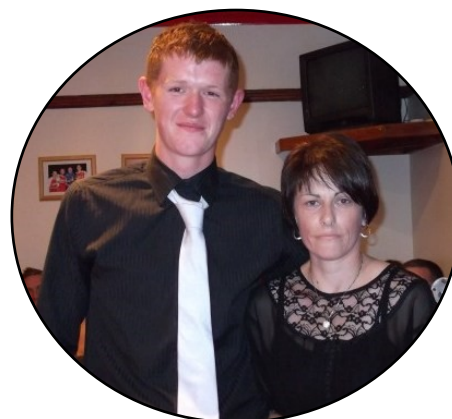

Ryan scores v. Kilsyth

Ryan scores v. Meadow

Having knocked 3 Premier League sides out of the West of Scotland Cup the Glens hosted Premier League leaders in the Semi-final and although Ryan squared the match at 1-1, the Meadow went on to win 4-3. Nine days later the Glens lost out in another semi-final at Loch Park, going down 2-1 to Troon in the Ayrshire Weekly Press Cup. However, nine days after that they thrashed East Kilbride Thistle 5-0 at Loch Park to be crowned the Super League 1st Division Champions and earn promotion to the Premier Division.

Glenafton: v East Kilbride: Semple; Menzies (McEwan), McChesney, Henderson, McKillen; Potter, Cochrane; Dempster (Colligan), Armstrong, Boyle (Cashmore). Subs: Dunsmuir, Trialist.

SEASON 2012/13

Glens return to the Premier Division saw them finish 4th in the twelve team league with a well balanced record of P12 W10 D2 W10 F26 A37 32 pts.

The season ended on a high with penalty shoot-out win over Glasgow Perthshire in the West of Scotland Cup win at Newlandsfield, after a see-saw game ended 2-2 after 90 minutes.

SEASON 2012/13

A dramatic start to the season after manager Darren Henderson walked out on the team to join Hurlford with his backroom staff and five players. Glens appointed former player/ manager Tommy Bryce as manager with Mark Howie as his assistant. The first game of the season saw the Glens routed 7-1 by Lugar Boswell Thistle while the last game of the season unbelievably saw them face Hurlford United in the Scottish Junior Cup Final after having safely secured a mid-table position with a re-built side.

The Scottish Junior Cup run lifted the whole community and Ryan was rightly acclaimed a local hero 'We don't need Messi, we've got Ginger Chessy' and proved to be a bitter-sweet journey for the young defender. The two goals he scored that season both came in the cup run. He opened the scoring in the 3-2 win over Shotts Bon Accord in the 5th round .

Ryan also opened the scoring in the 2-2 draw away to Cumnock Juniors in the Quarter-Final. The home side equalised from penalty-spot on 93 minutes after the ball struck Ryan on the arm, the referee considering it was deliberate hand-ball! Luck deserted him at the Loch Part replay, after the visitors scored early when he was off the park receiving treatment. On the hour mark with the score at 1-1, he was shown a 2nd yellow card . Aaron Connolly scored his second goal of the game to put the Glens through to the Semi-Final.

The Glens lost 2-1 in the 1st leg of the semi-final at Camelon despite taking the lead through Cammy Marlow.

It was Cammy that put Glens ahead in the 2nd leg at Loch Park before Findlay Frye scored the winner; Fin & Chessy heading for another Scottish Cup final, 9 years after the Scottish final against Hutchy Vale.

The final against Hurlford, didn't go the Glens way! With 30 minutes gone former Glens player Ross Robertson had won two penalties resulting in Ryan receiving two yellow cards and being ordered off. Stuart Kean converted both spot kicks. With 10 minutes to go former Glens player Paul McKenzie completed the scoring.

The large New Cumnock support however stayed behind to show their appreciation to the players and management for the Glens great run in the Scottish.

Ryan deservedly won the Young Player of the Year Award. He also topped the number of appearances with 37 starts and took his overall tally to 103 starts and 112 appearances.

SEASON 2014/15

The Glens bounced back from the disappointment of losing out in the Scottish Junior Cup by winning the Ardagh Ayrshire Sectional Cup. After finishing runners-up to Auchinleck Talbot in Section 4, they travelled to face Whitletts Victoria where a 93rd minute goal from Alain Kinney squared the tie at 2-2. In an incredible penalty shoot-out Glens keeper Brian McGarrity saved 4 spot kicks in a row to put Glens through to the Semi-final. A looping header from Ryan puts the Glens on their way to a 3-1 win at Kilbirnie Ladeside.

Ryan captained the side in the final at Troon where goals from Cammy Marlow and Alain Kinney saw off the Talbot.

Glens were sitting mid-table in the league and Chessy opened the scoring in the 6-0 rout of Shotts Bon Accord at Loch Park. However, in January 2015 the club accepted the resignation of Tommy Bryce and Mark Howie. Craig McEwan who had left club to take up the manager's job at Arthurlie was appointed as manager. Craig Potter also returned to Loch Park as assistant manager. The Glens finished 4th in the league.

SEASON 2015/16

Ryan & Andy Reid, Beith

The season would prove to be a lull before the storm as the Glens finished in 6th position in the league.

They were knocked out of three of the domestic cup competitions at the Quarter Final stage; two of them after penalty shoot-outs including in the West of Scotland Cup at Hurlford after Ryan had scored a screamer to tie the game at 2-2.

In the Scottish Junior Cup the Glens set a new club record with a 14-0 win over Newmachar United in the 1st round only to be brought swiftly back down to the earth in the 2nd round, losing 3-1 at home to Jeanfield Swifts.

SEASON 2016/17

Ryan & Willie Sawyers, Rob Roy

The Treble Winning Season began with the Glens clinching the league title on the 2nd last league game of the season after a 2-0 away win at Rob Roy, their nearest challengers; while the two other challengers faced each other on the same day and with Beith beating Auchinleck the Glens were uncatchable! So began the celebrations in the rain at Guy's Meadow, Cumbernauld—the Rab's current home.

The following week the Rab's applauded the Glens on to park and went on to win the game 2-0, before the on-field celebrations could start in earnest.

The Scottish Junior Cup run began with 90th and 93rd minute goals to salvage a dramatic draw away at Broxburn and concluded with the Glens coming from a goal behind to defeat Auchinleck Talbot 2-1 in the final at Rugby Park. In between times there was a run of 6 clean sheets in a row & Chessy scored a double in the 8-1 win over Livingston United. The celebrations at Rugby Park and Loch Park afterwards will live long in the memory. The 'Pride of Dear New Cumnock' were Scottish and League Champions and a New Cumnockian cherished as 'our Ginger' had more than played his part and it was tears of joy that fell on Rugby Park on that glorious day.

SEASON 2017/18

The season got off to a great start as the Glens topped their Ayrshire Sectional Cup group with a 100% record and progressed through Quarter and Semi-Final without conceding a goal only to lose out 1-0 to Auchinleck in the final at Meadow Park.

As Scottish Junior Cup Winners and/or as Premier League Champions the Glens qualified for the William Hill Scottish Cup. They beat Newton Stewart 6-0 at Loch Park in the 1st Preliminary Round with Ryan heading home the sixth goal.

Golspie Sutherland were thrashed 6-1 in the 2nd Preliminary round before Threave Rovers were defeated 4-0 in the 1st round proper; both games at Loch Park. A Joe Andrew double at Deveronvale put the Glens in the hat for the 3rd round where they got the dream home against Queen of the South; only for it to be redrawn to deliver an away tie to Championship side Livingston!

Glens put up a good show but went down 2-0 and Livi went on to be promoted to the Premier Division at the end of the season.

Sadly, Glens hold on the Scottish Junior Cup lasted only to the 3rd round, after a 1-0 loss at Rob Roy. A poor run of results at the end of the Season saw the Glens slip to 7th place in the league.

SEASON 2018/19

The West Premiership league extended from 12 to 16 clubs. The Glens improved their league position climbing to 5th place in the 16 team the league.

The Scottish Junior Cup ended in the 4th round against Pollok. After a goalless draw at Loch Park and a 1-1 draw at Newlandsfield, the hosts went through on penalties.

The Glens reached the West of Scotland Cup semi-final but here too they were undone by a penalty shoot-out after a goalless draw at Beith.

(ex-Glens) striker David Gormley

SEASON 2019/20

The Scottish Junior Cup run began with a 13-0 victory over West Calder United at Loch Park but finished with a familiar ring to it and another exit in the fourth round at Loch Patk, after a replay and penalties, this time to Irvine Meadow. In the West of Scotland Cup, Ryan scored what would prove to be his last goal for the club, a close range header in a 4-1 home win over Larkhall Thistle; before bowing out in the next round. On the 7th March 2020, Glens beat Largs Thistle 5-1, in their 20th league game of the season to leave them in 6th place in the league with 10 games to go. However, due to the COVID pandemic football was closed down. With many teams having played a different amount of games the league table was recalculated on 'average points' and Glens were deemed to have finished in 4th place.

SEASON 2020/21

The formation of the West of Scotland Football saw 'Junior' clubs join Tier 6 & 7 of the Senior Pyramid system with the Glens in the 20 team Premier Division. However with COVID still prevalent the season had a delayed start and the completion of 38 league campaign appeared unrealistic, so 2 mini leagues of 10 were formed. Clubs also had a deadline to confirm if they would be taking part in the competition and ultimately Glenafton Athletic were one a number of clubs that declined to play and closed down for the season. Manager Craig McEwan and his assistant Craig Potter and their backroom staff resigned from the club and quickly took up a position at Tier 7 club St. Cadoc's. The Glens released all their players, with their best wishes, most of whom joined St. Cadoc's while Ryan joined Lowland League club Dalbeattie Star. Ultimately the league had to close down and the season was considered null & void.

SEASON 2021/22

Striker Mick McCann, returned to Glenafton from St. Cadoc's to take up the position of manager with former Glens keeper Brian McGarrity appointed as his assistant. On rebuilding the team from scratch three former Glens players returned from St. Cadoc's—Alan Cairns, Craig Pettigrew (captain) and Leon Murphy, while Cameron Marlow returned from Maybole Juniors & Ryan McChesney from Dalbeattie Star.

In the hectic league programme of Saturday-Wednesday matches Ryan made 5 starts and came on as substitute on 3 others. In what proved to be his last game at Loch Park on 11th September 2021 he came on as sub in the 2-1 win over Craigmark Burntonians in the South Challenge Cup. Ryan's last game for the Glens was a substitute in the Scottish Junior Cup tie at Cumnock Juniors on 13th October 2021, with the home side going through.... yes after a penalty shoot-out.

Ryan returned to Dalbeattie Star on-loan before Christmas and returned to the Glens in the New Year before signing for Maybole Juniors on 22nd January 2022.

THANKS FOR THE MEMORIES RYAN
& ALL THE BEST FOR THE FUTURE.
